- with an additional two weeks free

Given the current pandemic of COVID-19 we are taking extra precautions for everyone's safety by having contactless delivery. If you live in an apartment building, we kindly ask you to meet us at the main entrance while keeping social distancing.

Deliveries are made Saturday's starting at 10:00 am.

We encourage our customers to leave a **cooler with an ice pack outside your door/entry way** for us to drop your microgreens. We will ring your doorbell once the delivery has been made.

Our monthly plans have flexibility. If you need to skip a week's delivery for any reason, we will need a **minimum of 48hrs notice**. We will add the skipped delivery(s) to the end of your pre-paid plan.

Full payment of your plan must be made in advance by e-transfer to ultimatemicrogreens@gmail.com. Please note that our account is set up for auto-deposit, therefore no password is required.

Thanks for helping us grow!
